

Oklahoma School for the Deaf

Sponsorship Program

Become a sponsor today!

Sponsoring a student at the Oklahoma School for the Deaf is an opportunity to support the growth of a student academically, socially, and emotionally. It is an opportunity to give in the truest and most gracious sense of the word—anonymously. Students receiving sponsorship are not told who their sponsors are, but learn the life lesson of being appreciative and saying “thank you” through cards, pictures, and notes which are coordinated through the Social Services Specialist. They learn that there are others who care about them and want them to be successful. Depending on each student’s level of need, some sponsors send a monthly allowance, while others send gifts on special occasions which might include clothing, toys, etc. Some families choose not to receive money or gifts, but may allow their children to enjoy receiving cards and letters.
